A man and a woman are riding a large moose through a snowy, wooded landscape. The man, wearing a dark hooded coat, is in front, holding onto the moose's neck. The woman, with long blonde hair, is behind him, also holding onto the moose. The moose is walking towards the right. The background consists of snow-covered trees and bushes.

Enough of this "moose fucking is non-consensual" bullshit. A moose stands seven and a half feet tall at the shoulder, weighs 1800 lbs, and can shred you to ribbons with its antlers. If you manage to fuck one, you damn well better believe it was consensual.
